

CCAC / Pitt Connection Transfer Guide

Office of Admissions and Financial Aid
University of Pittsburgh
11/22/2016

Dear Prospective Transfer Student,

Greetings and welcome to the online version of the **CCAC/Pitt Connection Transfer Guide**.

I hope that you find it to be a useful tool as you plan your academic program in anticipation of your successful transfer from CCAC to the University of Pittsburgh. I also encourage you to work closely with both your Transfer Counselor at CCAC and the Office of Admissions and Financial Aid at Pitt as you plan your coursework.

We look forward to your becoming a member of the University of Pittsburgh community and to working with you as you pursue your academic and professional goals.

Good luck with your studies and remember to keep in touch as you progress toward your transfer to the University of Pittsburgh.

Best Wishes,

Colleen O'Neil
Transfer Counselor
Office of Admissions and Financial Aid

Using the Pitt Connection Transfer Guide

The **Pitt Connection Transfer Guide** is a resource designed to assist you with:

- **Planning** your CCAC coursework
- **Maximizing** the number of credits you can earn at CCAC
- **Learning** important information about academic requirements at Pitt

It is divided into several sections. First, you should familiarize yourself with the University's **General Transfer Policies**. Next, the **Bachelor of Arts and Bachelor of Sciences Kenneth P. Dietrich School of Arts and Sciences Degree Requirements** section includes a **worksheet** that you can use to keep track of the courses that you have completed that will satisfy those requirements at Pitt.

The section on **Transferable Courses** contains an alphabetical listing of all the community college courses that will transfer to Pitt. The CCAC course is listed in the first column, its Pitt equivalent (if one exists) is in the second and third columns, the number of credits it will transfer as is in the fourth column, and the specific Pitt graduation requirement (**Foundational Skills, Disciplinary Approaches, or Elective**) that it satisfies is in the fifth column. Use this section in conjunction with the **worksheet** to chart your progress.

There are also sections that include information about transfer to **the College of Business Administration, College of General Studies, and the Schools of Education, Engineering, Health and Rehabilitation Sciences, Information Sciences, Nursing, Pharmacy, and Social Work**.

IMPORTANT: The provisions and contents of this document are subject to change at any time at the University's sole discretion. It is intended to serve only as a general source of information about the University and is in no way intended to state or imply contractual terms.

Dietrich School of Arts and Sciences

General Transfer Policies

The Kenneth P. Dietrich School of Arts and Sciences offers the degrees of Bachelor of Arts and Bachelor of Science. All natural science majors are awarded Bachelor of Science Degrees. If you complete a major outside the natural sciences, you will be awarded the Bachelor of Arts Degree.

GENERAL GUIDELINES FOR CREDIT TRANSFER TO Arts and Sciences: All credits available for transfer are subject to the following guidelines.

1. Only courses that have reasonable counterparts in the School of Arts and Sciences curriculum are eligible for transfer (see guideline 6 for exception).
2. The number of credits granted for a given course cannot exceed the number on the transcript from the school where they are earned, nor, usually, can it exceed the number earned in the corresponding course in the School of Arts and Sciences.
3. No transfer credits can be part of the final 30 required for a degree. These must be earned in residence. In interpreting this regulation, credits earned on regional campuses are considered as transfer.
4. All transfer credits must have been earned within 12 years of the date when the Arts and Sciences degree requirements will be completed.
5. All transfer credits are subject to re-evaluation if and when you transfer from one school to another within the University of Pittsburgh.
6. A maximum of 18 non-School of Arts and Sciences credits may be counted in the minimum of 120 required for graduation.
7. If another school at Pitt transfers a class, it can be transferred to Arts and Sciences in the non-AS (NONAS) category. A maximum of 18 credits in this category can count towards graduation.
8. At least 50 percent of the credits required in your major and official minor must be earned in the School of Arts and Sciences.
9. Not more than 60 credits may be transferred from a two-year college. No more than 90 may be transferred from a four-year college. If 60 or more credits have been earned at a four-year school, no transfer credit will be granted for credits earned subsequently at a two-year school.
10. If a course for which advanced-standing credit has been granted is repeated, the advanced-standing credit is canceled.
11. Course work earned in approved foreign study programs may not constitute more than 15 of the final 30 credits. These credits are awarded on a Satisfactory/Audit basis. In addition, 30 of the last 60 credits must be earned in residence.

CLEP: CLEP (Credit for Life Experience) credits do not transfer to the Dietrich School of Arts and Sciences.

GUIDELINES AND SUGGESTIONS FOR STRUCTURING YOUR CURRICULUM:

The structure of a degree from Arts and Sciences varies depending on your major and how many classes you need to take to fulfill skills and graduation requirements. Typically, Skills and General Education requirements fill from 51 to 68 of the 120 credits required for a degree, and your major, from 30 to 64 credits.

If you wish to transfer to the School of Arts and Sciences at Pitt in the future, we suggest that you concentrate on the following at your present college:

1. Satisfy the Skills requirements, i.e., Composition, Algebra, Second Language (algebra and general writing **MUST** be completed before transfer to Arts and Sciences).
2. Begin taking comparable courses to meet the General Education Requirements.
3. Begin taking the introductory courses in your expected major.

Bachelor of Arts and Bachelor of Science

Arts and Sciences Degree Requirements

The faculty of the Dietrich School of Arts and Sciences has defined a set of curricular requirements to be satisfied by all Arts and Sciences students. These requirements, which form the foundation of a liberal arts education, are of two types: Foundational Skills and Disciplinary Approaches.

A. FOUNDATIONAL SKILLS REQUIREMENTS: These requirements assist students in developing the skills in writing and quantitative reasoning that provide the foundation for future learning. (Minimum 6 credits)

1. Writing Requirements:

The writing requirement consists of:

- a. Basic Writing_____
- b. Seminar in Composition_____
- c. Writing Intensive courses (2): The W-courses involve a significant amount of writing and are taken by students after they have completed the General Writing requirement. Community College students should take them after they transfer to CAS.

2. Quantitative and Formal Reasoning

- a. Algebra_____
- b. Quantitative_____

B. Disciplinary Approaches (46 credits)

1. Humanities Requirements:

- a. First Level Literature:_____
- b. First-level Music or Art:_____
- c. Creative Expression/Second Level Literature or Art: _____
- d. Philosophy:_____

2. Social Science Requirements

- a. Social Science:_____
- b. History:_____

3. Natural Science Requirements: Three courses in the natural sciences that introduce students to scientific principles and concepts. Students must take courses from at least two different departments.

a. Course one: _____

b. Course two: _____

c. Course three: _____

4. Global Citizenship Requirement

Second Language (Two-term sequence of the same language equivalent to Pitt number)

a. Level One _____

b. Level Two _____

A sequence of two courses in a Second Language: All students are required to complete with a grade of C or better two terms of university-equivalent study in a second language other than English. Exemptions will be granted to students who can demonstrate elementary proficiency in a second language through one of the following:

- a) having completed three years of high school study of a second language with a grade of B or better in each course;
- b) passing a special proficiency examination;
- c) transferring credits for two terms or more of approved university-equivalent instruction in a second language with grades of C or better;
- d) having a native language other than English.

Foreign Culture/International Courses

There are three categories: Regional (R), Comparative (C) and Global (G). At least two of the three categories must be covered with (a), (b), and (c). Category (d) must be a non-western (NW) course, which may overlap with another general education requirement.

a. _____

b. _____

c. _____

d. _____ (Non-Western).

College of Business Administration

The **College of Business Administration (Pitt Business)** awards the Bachelor of Science in Business Administration (BSBA) degree with majors in:

- Accounting
- Business Information Systems
- Finance
- Global Management
- Human Resources Management
- Marketing
- Supply Chain Management

Pitt Business is fully accredited by the AACSB International, the premier accrediting agency for collegiate programs in business. In addition, Pitt Business is ranked a top-25 public undergraduate business program by *U.S. News and World Report*.

Transfer Admission to Pitt Business

Admission is available for the Fall (September), Spring (January), and Summer (May) semesters on a rolling basis. To ensure full consideration, please apply as early as possible. The BSBA Program may be completed full-time or part-time.

Students may elect to apply for transfer to Pitt Business after completing carefully selected prerequisites. In addition, Pitt Business and CCAC have entered into a formal **articulation agreement** that allows students to earn their associates degree from CCAC and, provided certain requirements are met, make a smooth transition to Pitt Business.

For students NOT following the Articulation Agreement, it is recommended that you consider transferring to Pitt Business after completing approximately 45-60 credits. Among those credits should be:

- Business Calculus
- Introductory Microeconomic Theory
- Introductory Macroeconomic Theory
- English Composition I
- Financial and Managerial Accounting

You should also include courses from the Humanities, Natural Sciences, and Social Sciences listed further on in the CCAC/Pitt Business Articulation Agreement. Please feel free to consult with Pitt Business Admissions at (412) 383-9600, admissions@business.pitt.edu or visit their website at www.cba.pitt.edu for suggestions.

For admissions consideration, we suggest that community college students earn a 3.00 cumulative GPA at a minimum. We will also look for strong performance (A's and B's) in business prerequisites such as Calculus, Macroeconomics, and Microeconomics, as well as in any other math and business courses taken. For admissions purposes, Pitt Business will consider the grade earned in these courses the first time they are taken, without including the effect of course repeats. In addition, performance at all colleges attended will be taken into consideration.

When scheduling, remember...

- You must earn a grade of “C” or better in a course for it to transfer.
- You may need to take other math and/or English courses to prepare for the required calculus and composition courses. In particular, given that you may need to take several math courses prior to taking calculus, we suggest you begin taking math courses early (preferably in your first semester). Your performance in math coursework will be an important factor in the admissions process.
- If you haven’t already fulfilled our foreign language requirement with high school coursework, you may complete it before transferring to Pitt.
- Because of additional requirements in foreign language and study abroad, students pursuing the global management major are advised to plan for transfer to Pitt Business relatively early on, after 45 credits for example. Students are encouraged to begin foreign language study while at the community college and to contact Pitt Business Admissions about planning for this major. Completion of the global management major is likely to require 5-6 semesters of enrollment at Pitt Business.

Articulation Agreement between Community College of Allegheny County And University of Pittsburgh College of Business Administration

The Community College of Allegheny County (CCAC) and the College of Business Administration (Pitt Business) at the University of Pittsburgh recognize the need and importance of facilitating the transfer of students from one institution to the other as they pursue their educational goals. In an effort to ensure that transfer students be treated on an equal basis and to make the full resources of both institutions available to the students, the colleges enter into the following articulation agreement. *(Students still have the option to apply to transfer prior to completing an associate's degree; please see the information listed earlier for students NOT following the Articulation Agreement).*

University Parallel Program – Associate in Science (Business, 004)

Upon completion of the **CCAC/Pitt Business Parallel Program** specified in this document, a student may expect the following:

1. To earn the Associate of Science (Business) degree from CCAC.
2. To be guaranteed admission to the College of Business Administration provided that:
 - An overall quality point average of 3.00 on a 4.00 scale has been attained at CCAC in the CCAC/Pitt Business Parallel Program coursework; and,
 - A 3.00 quality point average has been attained in nine key courses noted in the CCAC/Pitt Business Parallel Program.

Important Note: For details about admission, please see the Guaranteed Admission Requirements section further on (underneath the CCAC/Pitt Business Parallel Program Required Course Listing). Students who have not met the guarantee requirements (those with lower grade point averages and/or fewer courses) are still eligible to apply for transfer admission to Pitt Business. Admissions decisions will be made after an individual review of each student's record. Although students are encouraged to complete the Associate Degree at CCAC, it is not required for admission to the College of Business Administration.

3. To have the courses specified in the CCAC/Pitt Business Parallel Program accepted for transfer by the College of Business Administration. To transfer, all courses must be completed with a grade of C or better.
4. To have all of the courses that are accepted by the College of Business Administration applied to the attainment of the Bachelor of Science in Business Administration (BSBA) degree, thus resulting in the student receiving 59-60 credits and junior status in Pitt Business.

Admissions Process

Students who are pursuing the CCAC Associate in Science (Business) and the CCAC/Pitt Business Parallel Program will follow the academic program specified in this document. Once complete, the student will complete the University of Pittsburgh Transfer Application and submit it, along with all required official academic transcripts and documents to the University of Pittsburgh. (Complete instructions for transfer application can be found at www.oafa.pitt.edu.) Provided that the student has met the requirements specified earlier, he/she will be accepted into the College of Business Administration at the junior level.

Second foreign language course*	3	Foreign language course	3
Minimum Credits to Graduate	65-68	Transferring Credits	59-60

+Guaranteed Admission Requirements - For guaranteed admission to the College of Business, an overall average of 3.00/4.00 must be attained at CCAC. Also, for guaranteed admission, a 3.00 average must be attained in nine designated courses (shown above +). We will calculate the average in the nine designated courses without the effect of course repeats. The original grade earned will be considered for admission. To transfer, a course must be completed with a grade of C or better.

In addition, if you attended another college prior to attending CCAC, please be aware that your performance there will also be considered during the admissions process for the College of Business Administration. Poor performance at a prior college can negatively impact your admission to Pitt Business even if you have otherwise met the guarantee requirements at CCAC. It is important to discuss prior college performance with your CCAC transfer counselor and any impact it may have on admission to Pitt Business.

*The humanities elective requirement provides an opportunity for students who need to fulfill the Pitt Business foreign language requirement to begin doing so. The language requirement is fulfilled by 3 years of the same language completed at the high school level with a C average or two semesters of the same language taken at the college level. If you need to complete this requirement, it is a good idea to do so at CCAC. You may count the first semester of the foreign language sequence as your humanities elective and the second semester as one of your major concentration courses.

CCAC/Pitt Business Parallel Program Approved Electives

The following CCAC courses are approved to meet the Humanities, Science, and Social Science Elective Requirements specified in the CCAC/Pitt Business Parallel Program. All courses are worth three credits, unless otherwise noted.

Humanities Elective

College of General Studies

The **College of General Studies** offers a variety of options leading to a Bachelor of Arts or Bachelor of Science degree. Majors in administration of justice, health services, humanities, legal studies, media and professional communications, natural sciences, public service, and social sciences are offered directly by the college. Transfer credit agreements have been established for the Criminal Justice and Corrections programs; these agreements are available from Community College of Allegheny County (CCAC) transfer counselors or from the College of General Studies.

Students interested in a Kenneth P. Dietrich School of Arts and Sciences major in chemistry, communications, computer science, economics, English literature, English writing, history, history of art and architecture, mathematics, philosophy, political science, psychology, or sociology can begin their studies in the College of General Studies, complete some requirements then transfer to the Dietrich School of Arts and Sciences to complete the remaining courses for their program.

Students can also complete prerequisite courses through the College of General Studies and apply for admission to one of seven other University programs: business administration, engineering, health and rehabilitation sciences, information sciences, nursing, pharmacy, and social work.

This transfer information was prepared to enable students to identify courses that can be applied to the following degrees at the University of Pittsburgh, College of General Studies (CGS): Administration of Justice, Dental Hygiene (Degree Completion), Health Services, Humanities, Legal Studies, Media and Professional Communications, Natural Sciences, Public Service and Social Sciences.

Each course offered at the Community College of Allegheny County (CCAC) has been evaluated, and transferability of each course has been determined. The University of Pittsburgh will accept a maximum of 60 credits from a community college. All courses transfer as lower level, freshman/sophomore level courses. A grade earned in a class taken at CCAC will not replace the grade from an equivalent class taken at the University of Pittsburgh. Students planning to pursue a major offered through any other school at the University of Pittsburgh should consult the appropriate section of this Pitt Connection Transfer Guide for that school's transfer policies.

If you have any questions, you can contact a CGS Academic Advisor. The college is located on the first floor of Posvar Hall. Our phone number is 412-624-6600, fax number is 412-624-5461, and e-mail address is cgs@pitt.edu.

Requirements for the Degree

Listed below are the requirements for the bachelor's degree in the College of General Studies, and the CCAC courses, which can be used to fulfill these requirements. Students wishing to see a more expanded listing should consult the CCAC/College of General Studies transfer information listed at: www.cgs.pitt.edu/admissions-enrollment/degrees-certificates/transfer/manuals-agreements. Articulation agreements and other important information are also listed.

The specific structure of a degree in CGS varies depending upon the major. However, all students must complete certain course requirements. It is suggested you begin your plan of study by taking courses that complete these requirements. If you should want to take any other courses, verify transferability with your CCAC Transfer Counselor or a CGS Academic Advisor. Note: A grade of "C" or better is required for transfer.

Course requirements for a degree at the University of Pittsburgh, College of General Studies, are designated under Curriculum Area in the CCAC transfer manual as follows:

- 1 = Skills: Oral Communication
- 2 = Skills: Writing
- 3 = Skills: Mathematics
- 4 = Quantitative and Formal Reasoning
- 5 = Literature
- 6 = History
- 7 = International Perspective
- 7N = Non-western Culture
- DS:H = Distribution of Studies: Humanities
- DS:S = Distribution of Studies: Social Sciences
- DS:N = Distribution of Studies: Natural Sciences

On the following chart, you may fill in the requirements as you complete them.

*NOTE: A maximum of 60 credits may be eligible for transfer from a two-year institution.

<u>Requirements</u>	<u>Designation</u>	<u>Term</u>
I. SKILLS		
A. <u>Oral Communication</u> (One course)	#1	1. _____
B. <u>Writing</u> (Two courses*)	#2	1. _____ 2. _____
*Note: one additional writing course must be completed at Pitt for a total of three writing courses.		
C. <u>Mathematics</u> (One course)	#3	1. _____
D. <u>Quantitative and Formal Reasoning</u> (One course)	#4	1. _____
II. UNDERSTANDINGS		
E. <u>Humanities</u> (Two courses from two different departments)	DS:H	1. _____ 2. _____
F. <u>Social Sciences</u> (Two courses from two different departments)	DS:S	1. _____ 2. _____
G. <u>Natural Sciences</u> (Three courses from at least two different departments)	DS:N	1. _____ 2. _____ 3. _____
H. <u>Literature</u> (One course)	#5	1. _____
I. <u>History</u> (One course)	#6	1. _____
J. <u>International Perspective</u> (Three world culture courses with one being Non-western, or two courses in a foreign language, and one Non-western culture)	#7	1. _____ 2. _____
	7N	3. _____

III. SPECIALIZED STUDY: THE MAJOR

8 – 16 courses. Verify transferability with a Community College of Allegheny County Transfer Counselor or a College of General Studies Academic Advisor. Half of the major must be completed at the University of Pittsburgh.

IV. ELECTIVES

Total credits required for a baccalaureate degree: 120 minimum (approx. 40 courses)

KEY

CGS	-	College of General Studies
CGS Credits	-	Credits awarded apply only to the College of General Studies
LD	-	Lower Division
0000	-	No Equivalent – The course is transferable, but there is no equivalent course at Pitt.
DS:H	-	Distribution of Studies: Humanities
DS:N	-	Distribution of Studies: Natural Sciences
DS:S	-	Distribution of Studies: Social Sciences
*	-	Indicates a course in a professional field.

Students pursuing a CGS major may take the following number of professional field credits:

Administration of Justice:	18 credits
Health Services:	18 credits
Humanities:	18 credits
Legal Studies:	18 credits
Media and Professional Communications:	18 credits
Natural Sciences:	18 credits
Public Service:	18 credits
Social Sciences:	18 credits

WLD-WELDING TECHNOLOGY – No Courses Transfer

Courses may also be taken at CCAC to fulfill College of General Studies major requirements and transferred courses not used in the categories above may be used as electives. A maximum of 60 credits, graded C or better, are eligible for transfer; if College Level Examination Program (CLEP) credits are used, a combination of CLEP and CCAC credits cannot exceed 60. *Official CLEP scores must be submitted.

Major Programs in the College of General Studies

Multi-disciplinary majors

Say you're interested in history, but you want a broader major that also includes legal studies and political science. With a multi-disciplinary major, you can study a general area instead of a specific major. Instead of drawing your major courses from one department you can choose sources from three departments within the central theme.

Multi-discipline programs give students more control and more choices in the courses they take to complete their major. They also allow you to gain several points of view regarding a central subject matter. To satisfy each of these programs students can choose courses from departments within the central theme, with one of the departments representing a majority of the coursework.

Multi-disciplinary majors:

Humanities (BA)

Choose courses from three of the following departments: Africana studies, classics, communication, English, German, history of art and architecture, linguistics, music, philosophy, religious studies, Spanish, studio arts, and theatre arts.

Pre-Education Option– This major can incorporate all of the prerequisite coursework needed for admission into the certificate program in comprehensive English education in Pitt's School of Education. This option may be used by students interested in the the Master of Arts in teaching programs offered in the School of Education. Completion of the prerequisites does not guarantee acceptance.

Legal Studies (BA)

This interdisciplinary course of study combines the theories and methods of several social science disciplines and law. It is not designed as a pre-law program; its goal is to enable you to develop an understanding of the nature, content, and operation of American law and legal institutions. Courses in the legal studies major are all taught by full-time and adjunct faculty members of the [Graduate School of Public and International Affairs](#) (GSPIA). Participating faculty members include attorneys practicing in fields of law ranging from criminal prosecution and defense, to environmental law, consumer law, and family law.

Students with a GPA of 3.5 or better planning to pursue graduate work may want to consider one of the following early admission options. To students who qualify, the Graduate School of Public and International Affairs offers the five-year [BA/MA program](#). Students pursuing a legal studies major may obtain the Master of Studies in Law (MSL) degree in a joint program in which credits obtained in the MSL program also count toward the bachelor's degree.

Natural Sciences (BS)

Choose courses from three of the following departments: anthropology, astronomy, biological sciences, chemistry, geology and planetary science, history and philosophy of science, neuroscience, physics, and psychology.

Pre-Education Option– This major can incorporate all of the prerequisite coursework needed for admission into the certificate programs in Earth and space science and general science. This option may be used by students interested in the Master of Arts in teaching programs offered in the School of Education. Completion of the prerequisites does not guarantee acceptance.

Pre-Medicine Option – This natural sciences concentration incorporates the coursework needed for admission to most medical and dental programs. Completion does not guarantee acceptance into graduate study.

Self-Designed (BA or BS)

The Self-Designed major enables highly motivated nontraditional students to pursue a unique program of studies for compelling professional or academic reasons. The self-designed major must be multidisciplinary, including courses from more than two departments or schools. It must have the same academic quality as existing College of General Studies majors. **Faculty approval is required.**

Social Sciences (BA)

This major can be customized to meet your personal interests and career goals. Choose courses from three of the following departments: Africana studies, anthropology, economics, history, Jewish studies, legal studies, political science, psychology, religious studies, sociology, urban studies, women's studies.

Professional Majors:

Administration of Justice (BA)

Develop your understanding of the evolution, theory, structure, functioning, and process of change in the system of American criminal justice. Choose one of these four specialized areas: adult and juvenile corrections, law enforcement practice, forensics, or cybercrime. Courses in the administration of justice major are all taught by full-time and adjunct faculty members of the [Graduate School of Public and International Affairs](#) (GSPIA). Participating faculty members include attorneys, prison administrators, judges, law enforcement officials, and criminal justice researchers. GSPIA also offers a five-year [BA/MA program](#) to students who qualify.

Dental Hygiene (BS *degree completion only)

If you have graduated from an accredited dental hygiene program, this major provides you with the opportunity to complete a Bachelor of Science degree. [Articulation agreements](#) have been established between the College of General Studies and the dental hygiene certificate program with five area community colleges for degree completion for licensed dental hygienists.

Health Services (BA)

Our health services major is designed to build communication, management, analytical, and leadership skills, while relating all to the health services field. You can choose one of two tracks in this interdisciplinary course of study:

Managing Health Services Programs and Projects gives students key administrative and business skills with an emphasis on grant and research project management.

Community Health Assessment provides an understanding of the physical, social, and behavioral factors influencing health.

Health Services (BS)

Our health services major is designed for health professionals who have completed professional training and would now like to earn a Bachelor of Science degree. Recognition for the professional training you received, including specific transfer credit agreements with community colleges, provide the foundation of your degree.

Media and Professional Communications (BA)

This major features a dual emphasis on providing students with a rigorous education in the theories of mass media process, history, and ethics, as well as the opportunity to specialize in one of three professional practice areas: corporate/community relations, writing for the professions, or digital media. The three tracks are designed to strengthen both the knowledge base and proficiencies of students pursuing careers in communications fields, such as print, television, radio, film, new media, or corporate/organizational communications. This program will also benefit students pursuing careers in a variety of industries in which communication with internal and external publics is critical.

Public Service (BA)

This major prepares students for careers that are focused on the resolution of public problems or the delivery of public services at the local, state, national, or international level. Students take a common core and then choose one of three concentration areas: public administration, nonprofit management, or a self-designed concentration. Courses in the public service major are all taught by full-time and adjunct faculty members of the [Graduate School of Public and International Affairs](#) (GSPIA). GSPIA also offers a five-year [BA/MA program](#) to students who qualify.

School of Education (SOE)

Applied Developmental Psychology:

Traditional and Practitioner Concentrations CASE Concentration

The undergraduate major in Applied Developmental Psychology (ADP) develops the skills and knowledge needed for professional work in child and youth care, education and other related human service fields. ADP also prepares students for graduate school in such fields as education, psychology, and social work. Coursework includes developmental theory and research covering birth through early adulthood, professional issues, family dynamics, cultural distinctions, disabilities, psychopathology, curriculum and activity planning, practice skills, and supervision.

The undergraduate major in Applied Developmental Psychology (ADP) includes three distinct areas of concentration that lead to a BS degree:

- ADP Traditional
- ADP Practitioner
- ADP CASE (Combined Accelerated Studies in Education)

ADP Traditional and ADP Practitioner Concentrations:

The Bachelor of Science in Applied Developmental Psychology is offered through the School of Education. Entrance to the program is at the junior year level, fall Term, full or part-time, after earning a minimum of **60 college semester credits of general education in liberal arts and sciences**, which include the prerequisite courses listed on the next page.

The **ADP Traditional Concentration** is full-time and the curriculum is organized into four terms of upper-division (junior and senior year) study. Students in the traditional concentration will participate in a 12 credit internship during their senior year.

The **ADP Practitioner Concentration** is part-time and designed to provide employed students working with children, youth and families with an opportunity to complete their BS degree while continuing to work. Courses are scheduled mostly in the evenings to accommodate work schedules. The internship is modified in order to use the student's work site as a valuable learning opportunity.

ADP Traditional and Practitioner Prerequisite Courses:

Language and Literacy (6 credits)

- Seminar in Composition (equivalent to the University of Pittsburgh general writing requirement ENGCOMP 0200) – 3 cr.
- Advanced Composition Course (can include a “W” course) – 3 cr.

Quantitative & Formal Reasoning (3 or 4 credits)

- Statistics (equivalent to STAT 0200 or STAT 0800)

Humanities (6 credits)

- Choose two courses from two different departments: Art (HAA; no studio courses), Music (Music; no performance courses), Literature (ENGLIT, except ENGLIT 0500), Philosophy (PHIL), or Theatre (THEA; no performance courses)

Natural Sciences (3 credits)

- Biology/Natural Sciences (BIOSC)

Psychology (3 credits)

- Introduction to Psychology (PSY101)

Social Sciences (6 credits)

- Two courses from two different departments: Political Science (PS), Sociology (SOC), History (HIST), Administration of Justice (ADMJ), Economics (ECON), Woman’s Studies, Religious Studies (RELST), Psychology (PSY), Anthropology (ANT), etc. Can include Developmental Psychology.

Non-Western Culture/International (3 credits)

30 credits of electives

For a complete listing of courses that will satisfy prerequisites for the ADP Traditional and Practitioner programs, go to:

<http://www.education.pitt.edu/AcademicDepartments/PsychologyinEducation/Programs/AppliedDevelopmentalPsychology/BachelorofScienceBS/Prerequisites.aspx>

SOE ADP Traditional and Practitioner Admissions Requirements: (In addition to any OAFA requirements):

- Completed School of Education ADP Supplemental Application
- Interview(s) may be requested by faculty; may also be requested by applicant
- Total of 60 credits of prerequisite coursework
- Three-part, typewritten statement, not exceeding eight pages in length, discussing the following concerns in depth:
 - What experience(s) made you select child and youth work as a profession?
 - How will knowledge of child development contribute to your professional competence?
 - What do you believe is one of the most important contemporary social issues, and why?
- Three references, preferably from professionals familiar with the student's experience with children/youth, maturity, work habits, and academic ability.
- The **suggested deadline for fall admission is March 15th**, but late applications will be considered if space allows.

Program Contact:

School of Education Admissions and Enrollment Services Contact:

Wesley Vaina
Graduate Enrollment Manager
412.648.1828
wvaina@pitt.edu

ADP CASE Concentration:

The ADP CASE Concentration is a five-year program that includes coursework at both the undergraduate and graduate levels. Students successfully completing the program are eligible to apply for Pennsylvania teacher certification in Pre-Kindergarten to Grade 4 and Special Education Pre-Kindergarten to Grade 8. Students will receive two degrees: a Bachelor of Science (BS) in Applied Developmental Psychology and a Masters of Education (M.Ed.) degree in Combined Studies in Early Childhood Education and a Special Area of Concentration.

ADP CASE Prerequisite Courses*:

*It is **very important** to note that the CASE option requires **an extremely prescribed set of prerequisite coursework.**

If a student is interested in this option, it is critical to (a.) know very early on in their college career and (b.) contact the School of Education ASAP (information provided below) for guidance in completing the prerequisites at your current institution.

Details and course suggestions for **CASE prerequisites** can be found on the School of Education's website at:

<http://www.education.pitt.edu/AcademicDepartments/PsychologyinEducation/Programs/AppliedDevelopmentalPsychology/ADPCASETeacherPreparation/Prerequisites.aspx>

SOE ADP CASE Admissions Requirements:

(In addition to any OAFAs requirements):

- Completed School of Education ADP Supplemental Application
- Overall GPA of 3.25
- Passing scores on the Pre-Service Academic Performance Assessment (PAPA) test. Test information can be found at www.pa.nesinc.com. Students may be exempt from taking the PAPA tests if they have met specific scores on the Scholastic Aptitude Test (SAT) or the American College Test (ACT). For specific information about the SAT or ACT Alternative to the PAPA tests, go to: <http://www.education.pitt.edu/AcademicDepartments/PsychologyinEducation/Programs/AppliedDevelopmentalPsychology/ADPCASETeacherPreparation/AdmissionRequirements.aspx>
- A goal statement discussing the applicant's interest in the program and prior experiences working with children.
- Three letters of academic or professional recommendation from those familiar with the applicant's expertise. The letter of reference checklist (contained in the admissions application) may be used.
- 64 credits of prerequisite coursework
- The deadline for fall admission is **March 1st**.

School of Education (SOE)

Health and Physical Activity:

Exercise Science and Wellness Specializations

Baccalaureate study in the Department of Health and Physical Activity (HPA) leads to the Bachelor of Science degree and provides specializations in Exercise Science and Wellness. The **Exercise Science** specialization is appropriate for students anticipating graduate study in exercise physiology or the health sciences. The **Wellness** specialization prepares students for entry level positions in closely supervised health-fitness programs within education and industry. Students can enter these School of Education programs at the junior year level, fall term, full or part-time, after earning a minimum of 60 college semester credits, including the following prerequisite classes as listed below.

Prerequisite Courses (Exercise Science and/or Wellness):

- English Composition equivalent to the University of Pittsburgh general writing requirement (3 credits)
- College level Mathematics course (2 credit minimum) and Statistics (3 credit minimum)
- First level Biology, Chemistry, Physics, and Intro to Psychology or three out of the four
- Other courses broadly distributed in humanities, social sciences, and natural sciences
- Must engage in positive health-fitness behaviors

SOE HPA Admissions Requirements:

(In addition to any OAFAs Requirements):

- Completed School of Education HPA Supplemental Application
- Minimum GPA of 2.5
- Two letters of recommendation and possible interview
- Completion of approximately 60 credits, including prerequisite coursework
- Career goals statement
- Demonstrated commitment to a physically active lifestyle
- The **suggested deadline for fall admission is February 1st**, but late applications will be considered if space allows.

School of Education (SOE)

Teacher Certification

The School of Education is dedicated to advancing the field of education by preparing teachers who make a real impact on schools and their students. **The SOE offers a variety of teacher certification program options, each of which are completed at the post-baccalaureate level.** Several of the teacher certification options offered allows students to earn both **teacher certification and a master's degree simultaneously**, resulting in ample preparation and maximum marketability. Our teacher certification students range from those who have just completed their undergraduate degrees to those who have been in the workforce and are ready to impart their knowledge and expertise to future generations.

Once you complete the transfer process and are comfortable at Pitt, it would be suggested to reach out to the Office of Admissions and Enrollment Services within the School of Education (contact info listed below). From there, a Graduate Enrollment Manager can serve to augment the work of an academic advisor by recommending courses that fulfill the prerequisites required to enter a teacher certification program of interest. All of our post-baccalaureate teacher certification options have a **January 15th application deadline**. **With the exception of the CASE program, students interested in applying to one of our teacher certification programs would apply during their senior year.**

For a complete teacher certification program listing, visit our website at:

<http://www.education.pitt.edu/FutureStudents/TeacherCertification.aspx>

For further information please contact the SOE Office of Admissions and Enrollment Services:

5500 Wesley W. Posvar Hall

230 South Bouquet Street

Pittsburgh, PA 15260

Phone: 412.648.2230

Email: soeinfo@pitt.edu

Swanson School of Engineering

Transfer applicants to the **Swanson School of Engineering** must indicate a specific major. The available engineering majors are:

- Bioengineering
- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Electrical Engineering
- Engineering Science
- Engineering/Arts and Sciences Joint Degree
- Environmental Engineering
- Industrial Engineering
- Materials Science Engineering
- Mechanical Engineering

The **Swanson School of Engineering** curriculum is highly structured from the freshman through senior year. We recommend that you follow the curriculum closely, as only courses that are an integral part of your proposed degree program and for which you've earned a "C" grade or better will be considered for transfer. No more than 60 credits will be accepted for transfer from a community college.

Students with a cumulative grade point average of 3.25 or better will be considered for admission to the Swanson School of Engineering. Bioengineering applicants need a cumulative GPA of 3.5 or higher. Transfer students are admitted within the limit of spaces available in the individual departments. You are advised to follow the freshman curriculum outlined on the following pages.

For additional information, please feel free to contact the Swanson School of Engineering at (412) 624-9825 or visit our website at: www.engr.pitt.edu.

University of Pittsburgh
Swanson School of Engineering
Curriculum
FRESHMAN YEAR

FIRST TERM		
Pitt Course:		At CCAC you take:
Subject	Credits	
MATH 0220: Analytic Geometry and Calculus I	4	MATH 201: Calculus I
Humanities or Social Science Elective*	3	See course equivalent list
CHEM 0960: Chemistry for Engineers I	3	CHM 151: General Chemistry I
PHYS 0174: Physics for Science and Engineering I	4	PHY 221: Physics for Science and Engineering I AND PHY 223: Physics for Science and Engineering III (4 credits)
ENGR 0015: Introduction to Engineering Analysis	3	No equivalent
ENGR 0081: Freshman Seminar	0	No equivalent

SECOND TERM		
Pitt Course:		At CCAC you take:
Subject	Credits	
MATH 0230: Analytic Geometry and Calculus II	4	MATH 202: Calculus II
CHEM 0970: Chemistry for Engineers II	3	CHM 152: General Chemistry II
PHYS 0175: Physics for Science and Engineering II	4	PHY 222: Physics for Science and Engineering II AND PHY 223: Physics for Science and Engineering III (4 credits)
ENGR 0016: Introduction to Engineering Computing	3	CIT 145: Programming in C
ENGR 0082: Freshman Seminar	0	No equivalent
Humanities or Social Science Elective*	3	See course equivalent list

*No more than (3) humanities or social science electives will be accepted for transfer from a community college.

SOPHOMORE YEAR**

Pitt Course:		At CCAC you take:
Subject	Credits	
MATH 0240: Analytic Geometry and Calculus III	4	MATH 250: Calculus III (beginning summer of 2014)
MATH 0280: Linear Algebra	3	MATH 253: Linear Algebra
MATH 0290: Differential Equations	3	MATH 251: Differential Equations

****Courses recommended for the sophomore through senior years vary according to the specified major. Consult the Swanson School of Engineering bulletin for more information, or call the Swanson School of Engineering at (412) 624-9825.**

All engineering programs are subject to change without advance notice.

Swanson School of Engineering Transfer Policies

1. All courses that have equivalent counterparts at Pitt in terms of content and credits in the Swanson School of Engineering curriculum are eligible for transfer.
2. No transfer credits can be part of the final 30 required for a degree. These must be earned in residence. In interpreting this regulation, credits earned on regional campuses are considered as transferable.
3. Transfer credits need to be earned within 12 years of the date when the Swanson School of Engineering degree requirements will be completed.
4. In accordance with University policy, re-evaluation of credits will be done by the admitting school, when necessary, according to applicable University policy and procedure. The policy applies to all previous credits earned, no matter if they were earned at the University of Pittsburgh or another institution.
5. No more than 60 credits may be transferred from a two-year college. No more than 90 may be transferred from a four-year college. If 60 or more credits have been earned at a college or university, no transfer credit will be granted for credits earned subsequently at a two-year school.
6. If a course for which advanced standing credit has been granted is repeated, the advanced standing credit is canceled.
7. Course work earned in approved foreign study programs may not constitute more than 15 of the final 30 credits. These credits are awarded on a Satisfactory/Audit basis. In addition, 30 of the last 60 credits must be earned in residence; students can request a waiver of the 30 credit policy from the Associate Dean for Academic Affairs.
8. One credit taken at a quarter system school is equal to two-thirds a credit at the University of Pittsburgh. This may affect the ability of a course to transfer. See #1.
9. Engineering courses must be completed at an ABET certified institution with the exception of approved study abroad courses.
10. Once a student has started to take courses as an engineering student at the University of Pittsburgh they cannot subsequently take courses at a community college for transfer credit.
11. The Swanson School of Engineering does not accept CLEP credit for course credits. The most current listing of SSOE transfer policies can be found at:http://engineering.pitt.edu/Freshman/Transfer_Students/SSOE_Transfer_Policies/

School of Health and Rehabilitation Sciences

The School of Health and Rehabilitation Sciences (SHRS) offers undergraduate majors in Athletic Training, Communication Science, Emergency Medicine, Health Information Management, Nutrition and Dietetics and Rehabilitation Science. For admission, a student must have a minimum of 60 college credits including specific prerequisite courses. Students should apply to the programs in the spring semester of their sophomore year when coursework is in progress. All admission criteria must be met by the time the program begins in the Fall Term.

General admission criteria includes completion of a minimum of 60 credits, a minimum overall and prerequisite GPA of 2.5 with a grade of C or better in all prerequisite courses. To be competitive for admission, a higher GPA is recommended/required for most SHRS programs.

Class size is limited and students are encouraged to submit applications early. A University of Pittsburgh Application for Transfer Students as well as supplemental information for SHRS must be completed. We highly recommend an appointment with the SHRS Director of Admission to discuss the application and admission process.

Application must be completed by the following deadlines:

Athletic Training	February 15
Communication Science	February 15
Emergency Medicine	February 15
Nutrition and Dietetics	February 15
Rehabilitation Science	February 15
Health Information Management	Rolling Admissions

For further information:

Web page: <http://www.shrs.pitt.edu>

Email: admissions@shrs.pitt.edu

Phone: (412) 383-6558

Fax: (412) 383-6535

Athletic Training

This CAATE-accredited program prepares students for certification by the National Athletic Trainers' Association. The curriculum leads to a Bachelor of Science degree in Athletic Training. Graduates are eligible for careers in a variety of clinical sports medicine settings working with active populations, or for further education at the graduate level conducting research central to the practice of sports medicine. **Admission is for the Fall Term only.** Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites listed below. Admission selections are based upon: overall minimum QPA of 2.5; completion of all prerequisites; personal interview; personal qualities important for athletic training (i.e. enthusiasm, motivation, positive health habits, strong work ethic and time commitment). Additional requirements include the completion of prescribed observation hours in on-campus and high school clinic facilities under the direct supervision of a certified athletic trainer. Students should not complete observation hours until they are enrolled in AHTLTR 1812.

PLEASE NOTE: Soon, a master's degree will be required in order to become a certified athletic trainer. The University of Pittsburgh is committed to preparing athletic training students for professional practice and is actively seeking to develop programs to meet this requirement. Such programs are subject to approval by the Provost before students can be admitted.

Prerequisite Courses:	At CCAC you may take:
Biology with lab (4 credits)	BIO 151
Chemistry with lab (4 credits)	CHM 151
Physics (4 credits)	PHY 141
College Algebra (3 credits)	MAT 108 or MAT 111 or MAT 114 <i>and</i> MAT 116; OR just MAT 142; or higher
Statistics (3 credits)	MAT 165
Intro Psychology (3 credits)	PSY 101
Psychology (3 credits)	PSY 108, PSY 208 or PSY 210
English Composition (3 credits)	ENG 101
English Writing (3 credits)	ENG 102
Public Speaking (3 credits)	SPH 101
Basic Athletic Training (3 credits)	Must be taken at Pitt (Pittsburgh campus)
Basic Athletic Training Lab (1 credit)	Must be taken at Pitt (Pittsburgh campus)
Humanities & Social Sciences (6 credits)	Any 6 credits from Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion or Sociology noted as transferrable by the Dietrich School.
Emergency Medical Technician	Applicants do not need to enroll in a course but *Proof of current Pennsylvania or National Registry EMT certification must be provided.

Communication Science (Dept. of Communication Science and Disorders)

The Department of Communication Science and Disorders offers the Communication Science undergraduate degree which is designed to prepare students for graduate study in speech-language pathology and audiology. See <http://www.asha.org> for more information about these professions. Students can also use this major to prepare for graduate study in related education, health and rehabilitation fields.

Listed below are the main general liberal arts, science and related knowledge courses required for the major. Alternative courses can be evaluated on a course-by-course basis. **IMPORTANT:** A separate 3 credit hour course is required for **each** of these areas; no single course can be used to satisfy multiple requirements. **Students should aim to have at least two thirds of these requirements completed prior to transferring.** The rest can be completed along with the core Communication Science courses in Junior and Senior years. Admission is for the **Fall Term only**. Please contact Dr. Janice Vance if you have any questions. Telephone: 412-383-6562 Email: jvance@pitt.edu

Prerequisite Courses:	At CCAC you may take:
English Composition (3 credits)	ENG 101, 102
Writing Intensive Course "W"	To be taken at University of Pittsburgh after transfer
Math (must transfer in as total of 3 Pitt credits)	MAT 108 or MAT 111 or MAT 114 and MAT 116; MAT 142, 201
English Literature (3 credits)	ENG 115, 118, 200-225
Music or Art (3 credits)	ART 103, 104, 106, 260; MUS 101, 121, 122, 160, 253
Additional course in Literature/the Arts/Creative Expression (3 credits)	ART 109 or higher; ENG 105; MUS 105 or higher; SPH 101, 102, 105; THE 101 or higher
History (3 credits)	HIS 101, 105, 151, 203, 205, 213, 219, 229
Introduction to Psychology (3 credits)	PSY 101
Biological Sciences: Human Biology, Anatomy & Physiology (3-4 credits)	BIO 100, 103, 110, 115, 151, 152, 160, 161, 162
Physical Sciences: Physics (3-4 credits)	PHY 141, 142
Foreign Culture (6 credits)	ART 103, 104, 106, 260; ENG 209, 210; HIS 101, 102, 213; PHL 111
Foreign Culture: Non-Western (3 credits)	To be taken at University of Pittsburgh after transfer
Foreign Language (at least 6 credits)	Two term sequence of a single language or 3 years of HS study of a single language
Statistics (3-4 credits)	MAT 165
Philosophy of Science (3 credits)	PHL 105
Neuro/Cognitive Foundations (3 credits)	To be taken at University of Pittsburgh after transfer
Sociocultural Issues (3 credits)	ANT 102; ETH 114,119,121,122; PSY 202; SOC 211, 212, 213
Lifespan/Child Development (3 credits)	PSY 108, 210

Emergency Medicine

This program is designed to prepare students for the technical, clinical and administrative challenges in the EMS professions. The dynamic curriculum provides a strong foundation in clinical experiences, educational expertise and administrative leadership.

Admission is for the **Fall Term only**. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites.

Prerequisite Courses:	At CCAC you may take:
Natural Science/Psychology (6 credits)	Natural Science: ANT 103, 110; BIO 100, 110, 130, 151, 152, 161, 162; CHM 109, 110, 113, 120, 151, 152; GGY 201, 202, 203; PHS 101, 107, 110, 161; PHY 141, 142, 221&223; Psychology: PSY 101, 108, 109, 113, 114, 116, 202, 204, 208, 210
Oral/Written Communication (6 credits)	Written: ENG 101, 102, 103, 105, 106; Oral: SPH 101, SPH 105, SPH 201
Math/Statistics/Computer Science (4 credits)	Math: MAT 108 or MAT 111 or MAT 114 <i>and</i> MAT 116; 120, 135, 142, 201, 202, 220, 250, 251, 253; Statistics: MAT 161, 165, 166; Computer Science: CIT 111, 130, 161
Humanities/Social Science (6 credits)	Any 6 credits from Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion or Sociology noted as transferrable by the Dietrich School.
Additional Credits from Above Content Areas (8 credits)	
EMT with Lab (4 credits)	Emergency Medical Technician*

*Proof of current Pennsylvania or National Registry EMT certification must be provided. If a non-credit course was taken for this certification, 4 credits may be granted through credit by course examination if you have a current PA or NREMT certification.

Senior transfer students: Proof of current Paramedic certification must be provided to receive the advanced standing of 39 credits. If a current paramedic, proof of EMT certification is not required. Currently certified paramedics receiving advanced standing of 39 credits may transfer no more than 51 credits (including required 30 prerequisite and 21 additional coursework credits).

Health Information Management

Graduates of this program develop health record and information systems for patient care, education, research, and reimbursement. The application of information technology throughout the curriculum enhances the student's knowledge of the health care system.

Admission is for the **Fall Term only**. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites listed below.

Prerequisite Courses:	At CCAC you may take:
English Composition (3 credits)	ENG 101
English Writing (3 credits)	ENG 102, ENGL 103, ENGL 105 or ENGL 106
Psychology (3 credits)	PSY 101
Biology (3 credits)	BIO 100, BIO 110, BIO 130 or BIO 151
Chemistry (3 credits)	CHM 109, CHM 110, CHM 113 or CHM 151
College Algebra (3 credits)	MAT 108 or MAT 111 or MAT 114 <i>and</i> MAT 116; OR just MAT 142; or higher
Statistics (3 credits)	MAT 161 or MAT 165
Public Speaking (3 credits)	SPH 101
Computer Science (6 credits)	CIT 125; OR ONLY ONE CIT 175, 185, 186, 282 or 285 can transfer; OR ONLY ONE CIT 265, 266 or 267 can transfer
Computer Programming (3 credits)	CIT 111, CIT 130, CIT 145, CIT 161
Humanities and Social Sciences (6 credits)	Any 6 credits from Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion or Sociology noted as transferrable by the Dietrich School.

Nutrition and Dietetics

Dietitians are the health professionals who apply scientific knowledge to guide people in selecting foods to meet their health needs. The curriculum offers courses in food and nutrition sciences, nutrition therapy and the graduate program includes supervised practice experiences that are required for eligibility to take the national registration examination for dietitians.

Admission is for the **Fall Term only**. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites listed below.

Prerequisite Courses:	At CCAC you may take:
Biology 1 with lab (4 credits)	BIO 151
Biology 2 (no lab required) (3 credits)	BIO 152
General Microbiology (3 credits)	BIO 175
Chemistry 1 with lab (4 credits)	CHM 151
Chemistry 2 with lab (4 credits)	CHM 152
Organic Chemistry 1 (no lab required) (3 credits)	CHM 201
Organic Chemistry 2 (no lab required) (3 credits)	CHM 202
Economics (3 credits)	ECO 100, ECO 102 or ECO 203
English Composition (3 credits)	ENG 101
English Writing (3 credits)	ENG 102
College Algebra (3 credits)	MAT 108 or MAT 111 or MAT 114 <i>and</i> MAT 116; OR just MAT 142; or higher
Intro to Nutrition (3 credits)	DIT 106 (preferred) or BIO 117
Public Speaking (3 credits)	SPH 101
Intro to Psychology (3 credits)	PSY 101
Intro to Sociology (3 credits)	SOC 101
Statistics (4 credits)	MAT 165

Rehabilitation Science

The major in Rehabilitation Science is designed to prepare students for graduate education in areas such as physical therapy, occupational therapy, prosthetics and orthotics, physician's assistance, rehabilitation counseling, wellness and human performance, rehabilitation technology, as well as for graduate and professional studies in other areas of health care.

Admission is for the **Fall Term only**. Applicants should have completed 60 credits prior to their first term at Pitt, including the prerequisites listed below.

Prerequisite Courses:	At CCAC you may take:
Biology with lab (4 credits)	BIO 151
Chemistry with lab (4 credits)	CHM 151
Physics with lab (4 credits)	PHY 141
College Algebra or higher (3 credits)	MAT 108 or MAT 111 or MAT 114 <i>and</i> MAT 116; OR just MAT 142; or higher
Applied Statistics (3 credits)	MAT 165
General Psychology (3 credits)	PSY 101
Developmental Psychology (3 credits)	PSY 108
English Composition (3 credits)	ENG 101
Writing Intensive (3 credits)	ENG 102
Humanities and Social Sciences (6 credits)	Any 6 credits from Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion or Sociology noted as transferrable by the Dietrich School.

We recommend students interested in graduate programs in health sciences should complete any additional prerequisites in biology, chemistry and physics while enrolled in CCAC. However, some of these courses can also be completed while enrolled in the program.

School of Information Sciences

The School of Information Sciences at the University of Pittsburgh offers the Bachelor of Science in Information Science (BSIS), a two-year program which normally begins in a student's junior year. The BSIS program will provide students with critical skills and broad theoretical knowledge in programming principles, database systems, networks, human-computer interaction, and systems design. The course of study will enable graduates to understand how to manage today's complex information systems and design the systems that business and industry will need in the future. Information, and the technology to manage it, will be a critical factor in solving many of the world's most pressing problems in health care, government, education, and the environment. More information about the program can be found at www.ischool.pitt.edu/.

In addition to a general program of study, the program features **three industry-centered specializations: information systems, user-centered design, and networks and security**. All students are required to participate in a capstone experience such as a research project or an internship with a regional company. With the University located in a major urban environment, students have access to amazing internship opportunities with healthcare entities, manufacturing companies, and technology-related corporations.

Transfer Admissions to the School of Information Sciences

Students, provided that they meet the admission requirements posted [here](#), are welcome to apply for admission to the School of Information Sciences. Students must have earned a minimum of 55 credits prior to admission to the BSIS program. To efficiently plan for such a transfer, we strongly encourage you to contact the BSIS advisors as early as possible within your program of study. The following table outlines, in general, the course requirements and transferable credits for the School of Information Sciences to facilitate planning for transfer; however, all credits must be verified by BSIS advisors. You can contact the BSIS Office at the School of Information Sciences at:

Room 720 IS Building
School of Information Sciences
135 North Bellefield Avenue
Pittsburgh, PA 15260
412-624-5143
Koller@pitt.edu

SKILLS AND GENERAL EDUCATION REQUIREMENTS

The following list is meant to help you complete some of the skills and general education requirements for the BSIS degree. CCAC courses that fulfill these requirements are listed below with SIS equivalencies. A grade of “C” or better is required for transferable credits. (Grade requirements exception noted below.)

SKILLS REQUIREMENTS

CCAC Course	Credits	Pitt Course	Credits
Writing 1 The writing requirement can be satisfied by the following course:			
ENG 101 English Comp 1	3	ENGCMP 0200 Seminar in Composition	3
Writing 2 The writing requirement can be satisfied by one of the following courses:			
ENG 102 English Comp 2	3	ENGCMP 0450 Research Writing	3
ENG 103 Technical Communications	3	ENGCMP 0400 Written Prof. Com.	3
BUS 130 Business Communications	3	ENGCMP 0400 Written Prof. Com.	3
Math The quantitative requirement can be satisfied by any one of the following courses:			
MAT 135 Discrete Math	3	MATH 0400 Discrete Math Structures	3
MAT 201 Calculus I	4	MATH 0220 Analytical Geo. & Calc.	4
MAT 220 Business Calc.	4	MATH 0120 Business Calc.	4
Logic The logic requirement can be satisfied by the following course:			
PHL 204 Symbolic Logic	3	PHIL 0500 Introduction to Logic	3
Foreign Language The language requirement can be satisfied by:			
Two years of the same foreign language in high school			
One year in high school and one term of the same foreign language in college			
Two terms of the same foreign language in college			
Native speaker of a foreign language			
Statistics The statistics requirement can be satisfied with the following course:			
MAT 165 Probability & Stats.	4	STAT 0200 Basic Applied Statistics	4

GENERAL EDUCATION REQUIREMENTS

CCAC Course	Credits	Pitt Course	Credits
Literature The literature requirement can be satisfied by one of the following course:			
ENG 117 Children's Literature	3	ENGLIT 1640 Literature for Children	3
ENG 118 Women as Writers	3	ENGLIT 1701 Topics in Women's Studies	3
ENG 200 Dramatic Literature	3	ENGLIT 0310 The Dramatic Imagination	3
ENG 205 American Literature to the Civil War	3	ENGLIT 0570 American Literary Traditions	3
ENG 207 African-American Literature	3	ENGLIT 1246 African-American Literature	3
ENG 209 World Literature to 1650	3	ENGLIT 0590 Formative Masterpieces	3
ENG 210 World Literature from 1540 to Present	3	ENGLIT 1380 World Literature in English	3
ENG 222 Shakespeare's Plays	3	ENGLIT 0580 Introduction to Shakespeare	3
ENG 223 Science Fiction	3	ENGLIT 1661 Science Fiction	3
ENG 225 The Bible as Literature	3	ENGLIT 0597 Bible as Literature	3
FCL 103 Mythology	3	CLASS 1130 Classical Myth & Literature	3
THE 101 Introduction to the Theater	3	THEA 0810 Introduction to Dramatic Art	3
THE 104 Modern Drama	3	THEA 1358 Modern Theater to WWII	3
Music and Art The music/art requirement can be satisfied by one of the following courses:			
ART 100 Introduction to Art History	3	HAA 0010 Introduction to Art	3
ART103 Art of Western Civilization I	3	HAA 0010 Introduction to Art	3
ART 104 Art of Western Civilization II	3	HAA 0030 Introduction to Modern Art	3
ART 109 Drawing I	3	SA 0130 Foundation Drawing	3
ART 113 Graphic Communication I	3	SA 1470 Graphic Design	3
ART 114 Two Dimensional Design	3	SA 0110 Foundation Design	3
ART 138 Sculpture I	3	SA 0140 Foundation Sculpture	3
ART 122 Painting I	3	SA 1250 Painting	3
ART 129 Printmaking I	3	SA 1260 Printmaking – Etching	3
ART 138 Sculpture I	3	SA 0140 Foundation Sculpture	3
ART 148 Color	3	SA 0120 Foundation Color	3
ART 207 Drawing II	3	SA 1230 Drawing	3

ART 222 Painting II	3	SA 1350 Painting	3
ART 229 Printmaking II	3	SA 1360 Printmaking – Lithography	3
ART 238 Sculpture II	3	SA 1240 Sculpture	3
ART 256 Printmaking III	3	SA 1560 Directed Study – Printmaking	3
MUS 101 Introduction to Music	3	MUSIC 0211 Introduction to Western Art Music	3
MUS 104 Music Theory I	3	MUSIC 0411 Theory I	3
MUS 121 History of Music I	3	MUSIC 0222 History of Western Music I	3
MUS 122 History of Music II	3	MUSIC 0224 History of Western Music II	3
MUS 130 Class Voice I	3	MUSIC 0123 Class Voice	3
MUS 140 Class Guitar I	3	MUSIC 0122 Class Guitar	3
MUS 154 Harmony I	3	MUSIC 0411 Theory I	3
MUS 203 Music Theory II	3	MUSIC 0412 Musicianship I	3
MUS 204 Music Theory III	3	MUSIC 0416 Musicianship II	3
MUS 253 History of Jazz	3	MUSIC 0711 Jazz	3
MUS 254 Harmony II	3	MUSIC 0412 Musicianship I	3
Communication The communication requirement can be satisfied by one of the following courses:			
SPH 101 Oral Communication	3	COMMRC 0520 Public Speaking	3
SPH 105 Discussion	3	COMMRC 0540 Discussion	3
Social Science The social science requirement can be satisfied by two courses from any two different fields listed below: Economics, Political Science, Sociology			
Economics			
ECO 102 Principles of Macroeconomics	3	ECON 0110 Introduction to Macroeconomic Theory	3
ECO 103 Principles of Microeconomics	3	ECON 0100 Introduction to Microeconomic Theory	3
Political Science			
POL 103 American Government	3	PS 0200 American Political Process	3
POL 206 International Relations	3	PS 0500 World Politics	3
Sociology			
SOC 101 Introduction to Sociology	3	SOC 0010 Introduction to Sociology	3
SOC 160 Introduction to Women's Studies	3	WOMNST 0100 Introduction to Women's Studies	3
SOC 201 Sociology of the Family	3	SOC 0438 Sociology of the Family	3
SOC 202 Human Aging	3	SOC 0475 Sociology of Aging	3
SOC 208 Urban Sociology	3	SOC 0444 Urban Sociology	3

SOC 210 The Sociology of Sexual Behavior	3	SOC 0436 Social Aspects of Sexuality	3
SOC 211 Racial and Ethnic Minorities	3	SOC 0460 Minority Groups	3
SOC 212 Social Problems	3	SOC 0007 Social Problems	3
SSOC 213 Sociology of Health and Illness	3	SOC 1450 Health and Illness	3
History and Culture This requirement can be satisfied by one of the following courses:			
ANG 101 Introduction to Anthropology	3	ANTH 1780 Introduction to Anthropology	3
ANT 102 Cultural Anthropology	3	ANTH 0780 Introduction to Cultural Anthropology	3
ANT 103 Introduction to Physical Anthropology	3	ANTH 0680 Introduction to Physical Anthropology	3
HIS 101 Hist. of West. Civ. I	3	HIST 0100 Western Civ. I	3
HIS 102 Hist. of West. Civ. II	3	HIST 0101 Western Civ. II	3
HIS 104 U.S. History I	3	HIST 0600 U.S. to 1877	3
HIS 105 U.S. History II	3	HIST 0601 U.S. 1865 to Present	3
HIS 113 History of the Old Testament	3	RELGST 0045 Hebrew Bible	3
HIS 114 History of the New Testament	3	RELGST 0135 Christian Bible	3
HIS 203 African American Hist. I	3	HIST 0670 Afro-American Hist. I	3
HIS 205 African American Hist. II	3	HIST 0671 Afro-American Hist. II	3
HIS 219 History of Women	3	HIST 1661 U.S. Women II	3
HIS 222 Pgh: Past, Pres., Future	3	HIST 1668 History of Pittsburgh	3
HIS 229 Contemporary History of the U.S.	3	HIST 1619 United States since 1945	3
Psychology The requirement can be satisfied by the following course			
PSY 101 Intro. to Psychology	3	PSY 0010 Intro. to Psychology	3
Natural Sciences a minimum of three courses is required. Two must follow a sequence and the third must be from a different science field.			
Sequences			
BIO 151 General Biology I	4	BIOSC 0150 Foundations of Biology I	4
BIO 152 General Biology II	4	BIOSC 0160 Foundations of Biology II	4
CHM 151 General Chem. I	4	CHEM 0110 General Chem. I	4
CHM 152 General Chem. II	4	CHEM 0120 General Chem. II	4
GGY 202 Historical Geology	3	GEOL 0060 History of the Earth	3
GGY 203 Physical Geology	3	GEOL 0050 Physical Geology	3
PHY 141 Physics I	4	PHYS 0110 Intro. to Physics I	4
PHY 142 Physics II	4	PHYS 0111 Intro. to Physics II	4
PHY 221 Physics for Science & Engineering I	4	PHYS 0174 Basic Physics Science & Engineering I	4

PHY 222 Physics for Science & Engineering II	4	PHYS 0175 Basic Physics Science & Engineering II	4
Single			
CHM 113 Fundamentals of Gen. & Org. Chem.	3	CHEM 0800 Chem. for Nonscientists	3
CHM 120 Bio-Org Chemistry	4	CHEM 0910 Chem. Principles for Health Prof.	4
GGY 201 Geology	3	GEOL 0800 Geology	3
PHS 107 Intro. to Astronomy	3	ASTRON 0089 Stars, Galaxy, and the Cosmos	3
PHS 109 Energy & Environment	3	PHYS 0086 Physics & Public Policy	3

Information Science: The following courses will transfer and are equivalent to Information Science courses:			
CIT 130 Object Oriented Programming: JAVA	4	INFSCI 0017 Object Oriented Programming I	3
CIT 145 Programming in C	3	INFSCI 0012 Introduction to Programming	3
CIT 245 Data Structures and Programming in C++	4	INFSCI 0015 Data Structures and Programming Technology	3

Other Course Equivalencies

Computer Science: The following courses will transfer and are equivalent to Computer Science courses:			
CIT 100 Intro. to Computers	3	CS 0110 Intro. to Personal Computing and Internet	3
CIT 111 Introduction to JAVA Programming	3	CS 0007 Intro. to Computer Programming	3
CIT 125 Web Development	3	CS 0134 Website Design and Development	3
CIT 130 Object Oriented Programming: JAVA	4	CS 0401 Intermediate Programming: JAVA	3
CIT 140 Office Productivity Applications	3	CS 0131 Software for Personal Computing	3
CIT 145 Programming in C	3	CS 0132 Programming in C & Unix	3
CIT 161 Visual Basic .NET Windows Programming	3	CS 0004 Introduction to Programming: BASIC	3
CIT 245 Data Structures and Programming in C++	4	INFSCI 0015 Data Structures and Programming Technology	3

School of Nursing

Two categories of students may be qualified to apply to the University of Pittsburgh's **School of Nursing**. The GN/RN applicant or a student currently enrolled and taking classes in a college or university, who desires a Bachelors of Science in Nursing (BSN) Degree.

The **RN Options – Early Admission to MSN or DNP** curriculum is designed for registered nurses, who obtained their nursing education through either a diploma or an associate degree program, to complete their nursing education with a Bachelor of Science in Nursing (BSN) on the way to earning a graduate degree (MSN or DNP). For more information about the RN Options program please go to the website <http://www.nursing.pitt.edu/degree-programs/rn-options-early-admission-msn-or-dnp>.

The **pre-licensure student** interested in obtaining the nursing education that leads to a Bachelors of Science in Nursing (BSN) degree, and eligibility to take the National Council Licensure Examination (NCLEX) to become a registered nurse (RN), may apply to the School of Nursing. Admission to the School of Nursing is very competitive. Transfer students at least must have twenty-four (24) college credits at the time of application, admission will be based, in part, on the college academic record and on the high school academic record. All applications will be reviewed and decisions will be made based on the student's academic success and consideration of the number of seats available in the class. A 3.5 GPA or better from the previous institution is required for the applicant to be considered. As a transfer applicant, you must have successfully completed a general chemistry course with a lab at either the high school or college level, preferably with a B or better.

Admission to the School of Nursing for all transfer students is to the freshman class. It will usually take four (4) additional years to complete the nursing program once admitted unless admission to the sophomore year is granted. A limited number of spaces are available at the sophomore level and admission for these seats is very competitive. Admission decisions for these spaces are made separately, subsequent to admission to the freshman class. Once you have been admitted to the freshman class, your records will be reviewed for your eligibility to be considered for a sophomore space. You may begin to fulfill the liberal arts and the elective requirements while at another institution, thereby reducing the credit load for some terms. English Composition, Psychology, Sociology, Culture (Anthropology, History, etc.), Public Speaking, Statistics, Creative Expression and/or general electives are recommended courses. Courses need to be of a 0100 level or greater and a "C" grade or better need to be obtained for liberal arts course credit transfer.

The following courses marked with an asterisk (*) must be included in these credits, and classes that may be completed for this coursework at CCAC are noted – with suggestions for classes that will meet the requirement for sophomore status eligibility. Other coursework noted for freshman year are the liberal arts and the elective requirements mentioned earlier.

School of Nursing Curriculum

FRESHMAN YEAR		
Fall Term		
Pitt Course	Credits	At CCAC you may take:
*CHEM 0910 – Chemistry for the Health Professions	4	CHEM 110 & 111 & CHEM 120
*NUR 0012 – Human Anatomy & Physiology I	3	BIO 161
*NUR 0002 – Nursing Anatomy & Physiology I Lab	1	Lab required
English Composition	3	ENG 101, 102, or 103
Psychology	3	Any Psychology course 100 level or above
Sociology	3	Any Sociology course 100 level or above
TOTAL	17	

FRESHMAN YEAR		
Spring Term		
Pitt Course	Credits	At CCAC you may take:
*NUR 0031 and NUR 0032 – Microbiology I/Lab	4	BIO 175 (lab required)
*NUR 0013 – Human Anatomy & Physiology II	3	BIO 162
*NUR 0003 – Nursing Anatomy & Physiology II Lab	1	Lab required
*NUR 0088 – Intro to Basic Statistics	3	MATH 161, 162, or 165
NUR 1056 – Nursing Informatics	3	NA
NUR 0051 – Introduction to Professional Nursing	3	NA
TOTAL	17	

OTHER LIBERAL ARTS COURSES		
Pitt Course	Credits	At CCAC you may take:
Anthropology/U.S./Foreign History or Culture	3	Any history, U.S. or foreign culture course above 100 level
Speech	3	SPH 101

Certain aspects govern the advanced credits allowed for transfer courses. After admission to the School of Nursing, an official transcript of courses taken in other accredited universities or colleges must be submitted to the University of Pittsburgh – School of Nursing Office of Student Affairs and Alumni Relations. When requested, course descriptions or course outlines must be submitted to Student Affairs to determine course equivalency at the University of Pittsburgh. The credit transferred for any course can be no greater than the credit given at the University of Pittsburgh. Only courses with letter grades of “C” or better may be transferred. Science courses must have been taken within the last ten years with a grade of “B” or better unless there have been unusual circumstances.

IMPORTANT: As you plan your coursework at CCAC in preparation for transfer to the School of Nursing, keep in mind that the nursing curriculum at the University of Pittsburgh does allow for a limited number of general electives in history, U.S. or foreign culture, art, music, literature, math, and philosophy at the 100 level or above. Please contact the Office of Student Affairs in the School of Nursing prior to course selection either by phone at (412) 624-4586 or email at sao50@pitt.edu.

School of Pharmacy

The **School of Pharmacy** offers a four-year professional program leading to the Doctor of Pharmacy Degree (PharmD). The program is six years in length and configured in a program of study that requires two years of pre-professional courses and four years (nine terms) of professional courses.

Applicants for admission to the School of Pharmacy must be eligible for admission to the University and have successfully completed, or be in the process of completing, all prerequisite mathematics and science subjects no later than the spring term of the year of admission. All other pre-professional courses must be completed prior to the fall entry into the professional program. All courses must be taken for a letter grade.

The minimum requirements for consideration for admission to the School of Pharmacy's professional program are:

1. Completion of the pre-pharmacy requirements
2. Quality point average of 3.0
3. Completion of the [PharmCAS](#) Application and application fee
4. Completion of the School of Pharmacy Supplemental Application and fee
5. Submission of the PCAT scores by the December application deadline

The application process consists of 2 parts. Both parts are required. Pharmacy College Application Service ([PharmCAS](#)) Application is due by **December 1st**. The supplemental application process must be completed and submitted by **January 5th** to be considered for Fall admission. Please visit www.pharmacy.pitt.edu for information on the deadlines and applications.

Office of Student Services
School of Pharmacy
904 Salk Hall
Pittsburgh, PA 15261
(412) 383-9000
<http://www.pharmacy.pitt.edu/>

Below is the recommended distribution of courses for the first two years (pre-professional) of study toward the Doctor of Pharmacy Degree (PharmD):

First Term	Third Term
Biology I (3 credits)	Organic Chemistry I (3 credits)
Biology I lab (1 credit)	Organic Chemistry I lab (1 credit)
General Chemistry I (3 credits)	Statistics (4 credits)
General Chemistry I lab (1 credit)	Introduction to Psychology (3 credits)
Calculus (4 credits)	Electives (see below for suggestions)
English composition (3 credits)	
Total Credits: 15 or 16	Total Credits: 17

Second Term	Fourth Term
Biology II (3 credits)	Organic Chemistry II (3 credits)
Biology II lab (1 credit)	Organic Chemistry II lab (1 credit)
General Chemistry II (3 credits)	Electives (see below for suggestions)
General Chemistry II lab (1 credit)	
English composition	
Economics (micro or macro or intro)	
Total Credits: 14	Total Credits: 12

Distribution of Electives should be as follows:

Humanities (6 credits from two different departments, such as Africana Studies, Classics, Communication, English, History of Art and Architecture, Foreign Language, Music, Philosophy, Religious Studies, Studio Arts, and Theatre Arts)

Social Sciences (6 credits from two different departments, such as Anthropology, Economics, Geography, History, Political Science, and Sociology)

Plus, 6 additional credits selected from Humanities, Social Sciences, Psychology, or History and Philosophy of Science

School of Social Work

To transfer to the Bachelor of Arts in Social Work major in the **School of Social Work**, a quality point average of 2.5 based on 4.00 is preferred (students with less than a 2.5 gpa will be reviewed for provisional admission) and you must have completed a minimum of 60 credits, distributed as follows:

Humanities – 9 credits in classes such as Communications, Foreign Languages, Literatures, Philosophy, Music, and Theatre Arts

Social Sciences – 9 credits in classes such as Anthropology, Africana Studies, Economics, History, Political Science, and Sociology

Natural Sciences – 9 credits in classes such as Biological Sciences, Chemistry, Computer Science, Geology and Planetary Science, Physics, Psychology

Other Courses – preferably in the Social Sciences (33 credits)

Students who are seeking to transfer must submit a transfer application to:

University of Pittsburgh
Office of Admissions and Financial Aid
4227 Fifth Avenue
Alumni Hall
Pittsburgh, PA 15260

Transfer students must submit official transcripts of all courses taken at post-secondary educational institutions, colleges, universities, etc., whether or not it is intended that such credits be counted towards a degree at the University of Pittsburgh. To be accepted, credits must be evaluated and approved by the BASW program director, or his or her designate, in consultation with the Associate Dean for Academic Affairs. If the student is admitted to the program, the advanced-standing credits are not used for future computation of the QPA.

All credits eligible for advanced standing are subject to the following limitations:

- Credits earned by the student at another institution will be accepted only if the quality of the credits earned is at least a C grade or better, per University of Pittsburgh Transfer Credit Policy.
- Academic credit for field work will be awarded only for field work completed at an undergraduate social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- Courses for which credit is sought must correspond with those offered by the University of Pittsburgh in objectives and content, as explicated in the University of Pittsburgh's [The Pitt Connection](#).
- The number of credits reduced or granted for a given course can neither exceed the number on the official transcript from the School where they were earned, nor the number earned in the corresponding course at the University of Pittsburgh.
- No transfer credits can be part of the final thirty credits required for the BASW degree. The final thirty credits must be earned in residence at the University of Pittsburgh.

- All transfer credits are subject to re-evaluation if and when the student transfers from one school to another within the University of Pittsburgh.
- Not more than 90 credits may be transferred from four-year schools and no more than 60 credits can be transferred from two-year schools. This decision is made on the basis of the last school attended, according to the University of Pittsburgh Transfer Credit Policy.
- If a course for which transfer credit has been awarded is repeated, the transfer credit is cancelled and the student must enroll in another course to make up those transfer credits.
- Transfer credits awarded by the University of Pittsburgh's College of General Studies from the College Level Examination Program (CLEP) will be accepted consistent with the aforementioned policies.
- Transfer credits awarded by the University of Pittsburgh's College of Arts and Sciences for advanced placement will be accepted consistent with the aforementioned policies.
- Consistent with the Council on Social Work Education's Educational Policies and Accreditation Standards, the School of Social Work's BASW Program does not grant transfer credits or exemptions for prior life or employment experience.
- Transfer credits for liberal arts courses in which the student has received a C grade or better do not have a statute of limitations, though the BASW Program reserves the right not to accept liberal arts courses for transfer if the content is deemed outdated.
- Transfer credit for social work courses in which the student has received a C grade or better must have been completed within the previous seven academic calendar years at a social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- Transfer credits will be calculated by the Student Services Specialist assigned to the BASW Program, and included in the student's permanent record prior to registration for the Spring Term following the student's matriculation into the BASW Program.
- A student may appeal a negative ruling regarding transfers credit to the Academic Review and Academic Integrity Committee, following the procedures described in the [Student Handbook](#) for filing student grievances.

Applicants will be evaluated on:

- A. Overall academic record
- B. Three letters of reference
- C. Individual response to a three-part question

For an admissions application and supplemental application materials, contact the Office of Admissions and Financial Aid. For further information, contact:

**Articulation Agreement
Between
Community College of Allegheny County
And
University of Pittsburgh
School of Social Work**

The Community College of Allegheny County (CCAC) and the School of Social Work (SSW) at the University of Pittsburgh recognize the need and importance of facilitating the transfer of students from one institution to the other as they pursue their educational goals. In an effort to ensure transfer students be treated on an equal basis, and to make full resources of both institutions available to the students, the college and the school enter into the following articulation agreement.

Admissions Process:

Students who are pursuing a CCAC Associate in Science (Social Work Technician) as described in the 2010-2011 Catalog of the Community College of Allegheny County will follow the academic program specified by CCAC. Once completed, the student will submit the University of Pittsburgh Transfer Application and the School of Social Work Admissions Application, along with all required official academic transcripts and documents to the University of Pittsburgh.

The complete agreement can be viewed at:

<http://www.socialwork.pitt.edu/academics/basw/credit-transfer>
